

Winter 2018 - wrap up

Well this season is quickly coming to a close, with the last minor round only a week away.

Finals begin on August the 11th & all final games are played in the city at SAUCNA courts.

To celebrate the last minor round we will hold a presentation at our clubrooms at 5pm after the last minor round on August 4th 2018. Nibbles and drinks will be available from 4pm, with round 15 best player presentations at 5pm.

Our new improved website is now up & running, so please refer to it as it's a valuable resource, which will hopefully address many questions that you might have about SMAA Netball Club. In particular the calendar is a great way to see what is happening around the club – especially at this busy time of the year.

This is my final newsletter in my admin role, so I would personally like to thank you all for your dedication to our club, a club is only as good as its members.

Tania Costello (Admin)

SUMMER REGISTRATIONS ARE NOW OPEN

Fees remain the same as previous years \$150

Registrations close AUGUST 26th 2018

The season begins on October 9th

All games are played in the city at SAUCNA courts.

Please refer to our website for further information about the summer season, and registration links.

AGM & Positions Available

SAVE THE DATE – SMAA Netball Club AGM is 5th November 2018, 7pm at our clubrooms.

At each AGM all committee positions are declared vacant.

Volunteering for a position on the committee is a rewarding experience and is a way of ensuring that you have direct input into the running of our club. We strongly urge that you consider a position, especially those with younger players (U11s down) to ensure that junior members are well represented in the future.

In particular if you have skills in admin/finance we are looking for someone to fill the treasurer & admin roles.

Please contact our secretary if you are interested in nominating for a position.

School Holiday Juniors Coaching Clinics!

Thanks to all the players who supported our July school holiday clinics, run by Alice Johnswood from Taught & Bowled. We were lucky enough to have premier league player Rebecca Bassmann coaching.
